

# The Gold Seal Online Ground School - 2011

“2008 Top Ten Online Resource” – *Plane & Pilot Magazine*

## Welcome

Welcome to Gold Seal’s Online Ground School. With over 12,000 registered users, it is truly the **internet’s most popular training site** for pilots. If you are a student pilot, you will find everything you need right here. And not just for the FAA written test and practical test (the “checkride”), but for all your private pilot training needs.

*More pilots train online for their FAA tests right here than anywhere else. And there’s a good reason why... Gold Seal’s online lessons are the most effective (and fun) way to learn! Don’t believe it? Take a look for yourself – it’s free.*

## Register

Registration is free and only takes a minute. And it gives you **FREE, Instant** access to valuable aviation content. Over a dozen Private Pilot multimedia lessons are just a click away! You are also given access to special online training sessions. These are live streaming events, totally free, but only accessible by Registered students.

Also note that Registration here additionally registers you on our weather and planning website, FlightCentral.net. Once registered, you can log into either site with the same email and password.

## Enroll

After you register, you may optionally Enroll. The fee for this is just \$77 (and is backed by our 100% money back guarantee of satisfaction). It gives you a **huge amount** of additional content including the **complete Private Pilot Course** as well as full access to all of the Instrument Pilot lessons and Elective lessons. Look on the Instrument and Electives pages to see all the bonus multimedia lessons we have assembled for you. You have complete access to **everything**, now and in the future.

- This symbol shown to the right of a lesson indicates content that is only available to Enrolled students. There are over 30 **additional** multimedia presentations only accessible here.

If you have any questions about the Online Ground School, please call us toll-free at 1-887-881-4359.
